April 2009 Newsletter

Landfill summer hours - Beginning Saturday April 4th, the Manila Class II landfill will begin summer schedule. The facility will be open every Saturday from 9:00 A.M. until 2:00 P.M. in addition to Mondays from 9:00 A.M. until 12 noon. Holidays on Mondays will alter the schedule.

Rentals needed - If you are interested in renting your property/home to local employees, call the Manila office at 435-784-3143. We will coordinate with a local realtor to facilitate the process.

Emergency Response Charges - If the action or inaction causes the Manila Fire Department to respond, the responsible party will be charged for the cost of the fire personnel and the equipment. A Manila ordinance mandates this charge throughout our response area. For example weed burning that gets out of control would qualify.

Fire Department - The new Mac tanker which carries 4,200 gallons of water is now on line and was used Saturday March 21st to suppress a wild fire which started from county citizens burning a ditch in the wind.

Title Search - Property bought or sold in the Manila area should have a title search to determine delinquent water/sewer bills or a lien. Transfer of the property does not relieve the obligation for the utility payments.

June Festival - Remember to mark your calendar for Saturday June 13th from noon to ? in the park. The Manila Festival is scheduled for that day and there will be fun for all with craft booths, children games, and a karaoke contest with music by "Lone Wolf". See you there.

Water - The design for the new well infrastructure is nearing completion and is sure to have the water available this year. A new application for funding focuses on a one million-three hundred thousand gallon storage tank, new remote read meters for system upgrade, and replacement of small diameter supply lines in the county area to enhance fire flow, pressure, and culinary water service. You will be kept informed.

See you in Manila,

Chuck Dickison
Town Mayor
